- It may be hot, so if you are comfortable in shorts, wear them.

- Report to the concession stand where you have been assigned.
- If you bring a purse, place it under one of the counters.
- Write your name on the sign-in sheet.
- Report to the crew chief.
- Please wash your hands in the concession stand before working
- Wear gloves when preparing food.
- If you handle money, do not handle food (and vice versa)
- No children or pets are allowed in the serving area.
- If you have something to drink, it must be in a cup with a lid and a straw. Please write your name on the cup and store it on a shelf under the counter.
- As a concession volunteer, you may eat for free, but not in public view of the concession stand window. Please move to the back or side area.
- Please stay to the end of the night and help clean up! It is not fair to the other parents working with you to leave them with all of the cleaning duties!
